LET YOUR GOOD GLOW

EVENT DETAILS

Let your good glow

Join us Friday, October 9th, for Glow All Out, NKC Health's annual fundraising event celebrating the hope and healing impact of our health system in our communities. Guests will enjoy a modern and chic glow party with great entertainment, cocktails, and cuisine at CPKC Stadium. With your help we will shine a light on critical patient care needs.

ABOUT NKC HEALTH

Care Empowered

For nearly 70 years, NKC Health has worked to improve the health and well-being of patients and families across our region. We keep that promise every day by bringing innovative, comprehensive care that's always delivered with kindness. With more than 4,700 staff members — including over 600 dedicated physicians — along with specialists and caregivers across 35 locations and counting, we offer everything you need to live your healthiest life.

BENEFICIARY

NKC Health Women's Health Care

Access to high-quality women's health care is vital to the well-being of families throughout our region. Unfortunately, Birthing units continue to close, creating dangerous gaps in maternity care.

During this time of rapid change, NKC Health is committed to meeting the needs of our communities. Proceeds from Glow All Out 2026 will help expand NKC Health Women's Care, increasing access to vital maternal health services and strengthening partnerships with rural hospitals. This initiative will improve outcomes for our patients, ensuring safer pregnancies, healthier women and stronger babies.
